Sales Battlecards

Battlecards are short, sales-ready internal documents that educate your sales teams on your product or solution. Extra Mile Marketing customizes each battlecard to include your value proposition, target audience, benefits of the product or solution, customer pain points your solution solves, key company differentiators, and how to handle objections.

To discuss options for a sales battlecards to help your team achieve their sales goals, send us a quick [email](#) or call us at (425) 746-1572, and we'll set-up a meeting.
